

A Place of Restoration

Our approach to drug and alcohol addiction is quite unique because we believe in biblical regeneration. The men quickly come to the understanding that drugs and alcohol are not their real problem, they are. Through out their stay here, the men are pushed to develop a life renewing relationship with our Creator through the saving knowledge of Jesus Christ. The by-product of the realization of salvation and purpose giving truth is a true heart change. This is regeneration. The journey through regeneration is a difficult one, but we are committed to encourage and love them through it.

Our 3 phases are as followed:

Phase 1

Orientation: Take responsibility for their life harming decisions.

Regeneration: Learn how the chemicals have effected them physically, mentally, emotionally and spiritually. Also making an amends with those they have harmed.

Phase 2

Inner Healing: Begin the journey to face their past and allowing the Lord to heal their life controlling wounds. Also finding freedom through the forgiveness of those who may have hurt them.

Phase 3

Discipleship: This teaches the men to take the tools we give them with the truth that God has spoken to their hearts and apply it to their newly changed lives. God's truth in Regeneration is His Word, which is Truth and Truth is reality.
